

FROM YOUR PARISH

Pray for someone you will never meet

St. Thérèse of Lisieux taught that small things done with great love are the ordinary road to holiness. Little Way is a Catholic prayer app built on that teaching.

It carries a morning offering to hand over the day before it begins, an interactive rosary, preparation for confession, and a nightly examen that names one small act of virtue for tomorrow.

It also holds a chapel of intercession, where you can leave an intention and pray for the intentions of others, most of them strangers. Begin with the daily rhythm, and pray for someone you will never meet.
